

Water, Mills and Marshes: the Broads Landscape Partnership

Our bid

The Broads Authority and its partners have submitted a first round application to the Heritage Lottery Fund, Landscape Partnership Scheme. The HLF Board will decide on the application at the end of October.

“the course of the river through the green marshes is, where the water is itself invisible, marked by the tall high-peaked sails of the Wherry, which seem to be gliding along the land itself”

G. Christopher Davies, The handbook to the Rivers and Broads of Norfolk and Suffolk, 1884.

Get involved

If you would like to talk about a project, if you are part of a local group that may be able to help deliver an activity in your local area or if you just want to be kept informed please let us know.

To talk about a project idea, please contact 01603 610734, if you would like to be added to the mailing list send us an [email here](#)

First round application submitted...

We submitted our first round application on the 27th May. Thank you to everyone who has been involved with the application process – from the preliminary meetings early in 2014 to the stakeholder workshop in October, the project board and all those who submitted project proposals. The huge effort by so many people and organisations involved with the project so far has generated some exciting ideas, synergies and a great deal of support and momentum. We now need to keep our fingers crossed for a positive outcome in October...

A copy of the HLF application is available on request.

38 projects

55 partner organisations delivering activities

18 months development January 2016 to June 2017

5 years delivery 2018 to 2022

£2.6 million grant request from the Heritage Lottery Fund

Next steps: It doesn't all stop after submission...

As part of the application process, we will be receiving a visit from HLF officers in the next few months.

The project manager will be out visiting partners and giving presentations to promote the LPS projects – maintaining the momentum we have gathered.

The HLF National Board will meet in October and we will be able to announce their decision early in November.

Press Coverage

The Landscape Partnership Scheme has attracted some press attention over the last few weeks.

Additional Grant Funding news

The Broads Authority has access to the grant-funding database GrantFinder until the end of November. If you are looking for external funding for a project, no matter how big or small, we may be able to help.

Please contact Will Burchnall, Broads Authority Projects Manager for more information.
